Imation Apollo UX
2.5/3.5 Identity Hard Drive

With their rugged design, the new and improved **Imation Apollo™ UX 2.5 and 3.5 Identity Hard Drives** are the ideal devices for professionals looking to safeguard their valuable data while on-the-go. Designed to fit in the palm of your hand and featuring a protective skin to guard against scratching, the Apollo UX Identity Hard Drives offer a unique combination of compact size, sleek styling and security.

Apollo UX 2.5 Identity is available up to 500GB and the Apollo UX 3.5 Identity is available in capacities up to 2.0TB. The drives make data storage quick and easy with the NTI Shadow backup software that enables the user to make and schedule backups with a click of the mouse. A blue data transfer indicator lights when data transfer is in process.

Features & Benefits

Secure and durable – Scratch free and anti-static design.

Convenient formfactor – Ultra slim & lightweight, designed to fit in the palm of your hand or slip into your pocket.

Easy – Easy-to-install NTI Shadow backup software included. Backup, schedule, synchronize, and restore functions with a quick click of the mouse. USB 2.0 Powered – no external power supply needed on Apollo UX 2.5 Identity.
For the Apollo UX 3.5 Identity the power adapter and the USB connection cable are included.

Reliable – Up to 10 year data retention or more, 2 year limited product warranty.

Flexible – Mac- and PC-compatible.
